

Welcome to The Shores Resort and Dining

The Shores of Fox Lake invites you to vacation in one of our six furnished cottages and dine in our supper club located on the beautiful Fox Lake, Wisconsin peninsula.

The resort is situated on pristine lake property with stately trees and boat launching facilities and piers on the east and west shore.

The Shores Prime Steakhouse offers a full menu featuring steaks, seafood & unique menu items including our chef's specialty selections. We also offer delicious appetizers, specialty drinks, and a traditional Friday Night Fish Fry. The Shore's steaks are grilled to perfection, prime grade and hand trimmed in house.
